Specification

Product Hardwarear Information	Operating system	Android
Input/Output Signal	Input interface	1 x HDMI
	Input resolution	Up to 1920 x 1080@60Hz
	Output interface	1 x HDMI, 1 x 3.5mm audio interface
	Output resolution	Up to 1920 x 1080@60Hz
	Color	24bit, 16.77 million colors
	Caption type	Text, Image, Video
Control	Control method	Software
Stability	Safety	Hardware Structure, no virus interference
	Continuity	365 days, 7 x 24 hours operation
Electrical Parameters	Voltage	DC12V 3A
	Power	<5W
Package	Product size	232mm(L) x 140mm(W) x 35mm(H)
	Product weight	0.75KG
	Package size	310mm(L) x 290mm(W) x 130mm(H)
	Gross weight	2.5KG
